

WHERE IT'S NOT ABOUT RELIGION BUT RELATIONSHIP

October 5, 2015

Dear Child of God,

I bless you in the majestic name of Jesus our Lord, that name from which all blessings flow. I prophesy to you that TODAY is the day of salvation! This IS the time of jubilee for God's people. Get ready to SEE further than you've ever seen, beyond mere circumstances, past problems, into a place ordained for you before the foundation of the world. I'm referring to God's rest.

**The scriptures make clear that God has ordained rest for His people from all their works.**

**Just as He Himself ceased from all His works.**

Hebrews 4:3 King James Version (KJV)

<sup>3</sup>For we which have believed do enter into rest, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the works were finished from the foundation of the world.

It says "We which believe do enter." So faith is the entry point into His rest. Unbelief keeps you out. That word "rest" in Greek means; to settle down, to colonize, to cease and to desist. God wants you to settle down and cease from all your worry, struggle, and toil; and trust Him completely. God's got this! He has poured out the anointing of increase on your life. Receive it, take it, and move in it naturally!

In His rest, you're completely assured of your outcome. You're so convinced you don't consider any alternatives. Faith has positioned you to receive, far above the drama and circumstances of life.

Confidence and absolute assurance in God arises. While we know we are to always pray, there is a place in God where faith flows naturally through your spirit without the need to stop and pray first.

It's a place where you spend more and more time declaring your preferred outcome--the biblical outcome. The outcome where there's no sickness, no lack, no confusion, no uncertainty, and absolutely no unbelief. This is how you function in His rest.

### **It's a sweat-less environment.**

The spirit of faith flows through you as naturally as the sun rises in the east and sets in the west. Faith becomes a reaction to the contrary. Rest confirms both your trust in God and absolute confidence it's done. This kind of faith makes you so productive you will do miracles in seconds and demonstrate wonders in an instant. Feed your spirit with the following life changing scripture. Paul quotes Psalms 116:10

2 Corinthians 4:13 King James Version (KJV)

<sup>13</sup>We having the same spirit of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak;

The spirit of faith empowers you to believe and speak; not doubt and worry. You can't be sick. He is the God that takes sickness from the midst of thee. You can't lose. He is the God that always causes you to triumph. You can't be without what you need. He is the God that supplies all your needs. You don't need to pray for what you already have. Thank Him and just rest! Move on to something else because the spirit of faith working through you has positioned you in safety and brought God's power to the situation. As a result, the devil is defeated...again, the problem is solved, the resources are released, and now you progress to another level of faith.

### **Victory in faith brings you before dignitaries for promotion!**

1 Samuel 17:56-57 King James Version (KJV)

<sup>56</sup>And the king said, enquire thou whose son the stripling is.

<sup>57</sup>And as David returned from the slaughter of the Philistine, Abner took him, and brought him before Saul with the head of the Philistine in his hand.

God had a setup in mind all along. The devil meant it for evil. God worked it together for good. Now you know for yourself you can endure anything with God. Let the following scripture bless your heart and mind.

Romans 8:28 King James Version (KJV)

<sup>28</sup>And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

**The spirit of faith is the highest level of faith efficiency.**

**This level of faith is available to those who enter into His rest; it does however take labour to enter in.**

Hebrews 4:10-11 King James Version (KJV)

<sup>10</sup>For he that is entered into his rest, he also hath ceased from his own works, as God did from his.

<sup>11</sup>Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.

**Question...How do I labour? Answer...In the Word!**

This doesn't mean you know every scripture in the Bible. What it does mean is that you dig deep into the word you do know and get as much revelation as you can from God. It's the revelation you know that you act on. This is why it's so important to have your own testimony. If you don't have your own, grab hold of someone else's.

If God did it for him or her, He will do it for you. He is not a respecter of persons.

I'm so confident God is ready to show up for you and take over. He's going to demonstrate to your enemies that there's a difference between you and the world.

Deuteronomy 1:30 King James Version (KJV)

<sup>30</sup>The LORD your God which goeth before you, he shall fight for you, according to all that he did for you in Egypt before your eyes;

And again...

Exodus 14:14 King James Version (KJV)

<sup>14</sup>The LORD shall fight for you, and ye shall hold your peace.

In closing, I'm so excited about your present...and your future. I believe the Church is being stirred by the Holy Spirit to take its rightful place of dominion and rulership. This shift to preeminence is the result of believers operating in the spirit of faith. The impact of which affects every man, woman, boy and girl. Something miraculous is being stirred. That something is faith. It's true that the devil has ramped up his assault of evil in the world but our God is greater. The irresistible force of faith is being exerted on things contrary to the word. Those things have to change!

There are so many wonderful things happening at KLC. The testimonies coming forth are amazing. We're seeing debt cancellation, we're experiencing incurable diseases being cured. I can't wait to hear what God is doing in your life.

Yours in the Bonds of Christ,
